Orders the constitution of the Rampura Village in the Shimoga Taluk into a separate Shanbhogi Circle.

READ—

Letter No. C. 10—P.R. 282—51-52, dated the 20th March 1952, from the Revenue Commissioner in Mysore, Bangalore, requesting sanction to the constitution of the Bechrak Village of Rampura in the Shimoga Taluk into a separate Shanbhogi Circle.

ORDER No. R. 2004-17—L.S. 149-51-2, DATED BANGALORE, THE 23RD MAY 1952.

On the bifurcation of the erstwhile Shimoga Taluk into two separate taluks of Shimoga and Bhadravati, the first five out of the six villages noted below, comprised in the Doddagoppanahally Shanbhogi Circle, were included in the Bhadravati Taluk, while the sixth village, *viz.*, Rampura was retained in the Shimoga Taluk. As a result of this, Rampura came under the administrative control of the Amildar of Shimoga, while the other five villages of the same Firka under the control of the Amildar of Bhadravati. Rampura is nearer to Shimoga than to Bhadravati and the Shanbhog of the circle in question is reported to be living at Hiriyur (Bhadravati Taluk). The Shanbhog is further stated to have pleaded his inability to attend to the Shanbhogi duties relating to the Rampura Village also, the village being far away from his five other villages.

Potgi also has been separately fixed for this village.

1.	Doddagoppanahalli ...	Bhadravati.
2.	Thimmalapura ...	
3.	Bullapura	
4.	Veerapura	
5.	Ujjanpura	
6.	Rampura	Shimoga.

In these circumstances, the Deputy Commissioner, Shimoga, the has proposed that the Rampura Village (Bechrak) be constituted into a separate Shanbhogi Circle, the Baraward being registered in the name of the Shanbhog in question and a separate Gumastha being appointed to perform the duties of the office.

The Superintendent of Land Records and the Revenue Commissioner are agreeable to the proposal.

The proposal of the Deputy Commissioner supported by the Superintendent of Land Records and the Revenue Commissioner is sanctioned.

B. T. KEMPANNA,
Secretary to Government,
Revenue Department.
